

Scintilla's Initiative Fund Proposal

Scintilla tries to facilitate all students that study Electrical Engineering or any of the affiliated masters. We notice that sometimes people have great ideas to benefit these students, but lack the funding to realise it (to its fullest potential). You can use this form to make an application for funding for your amazing idea. Fill the boxes with relevant information and send it to board@scintilla.utwente.nl.

Your name(s).

Your email adres(ses).

What is your idea?

What will you be using the funding for?

Give a (simple) description of your idea's finances.
